WHY WE ARE HERE TODAY

Each year we feel called by God to help a family that has been put on our hearts. Our recipient this year is the **Schneider-Watson Family**.

Jessica Schneider-Watson is raising her three children alone. They live in a small apartment near Weatherford. Jessica's husband filed for divorce in 2013 while she was pregnant with their middle child, Channing. She recently gave birth to Camille in December, 2015. During her pregnancy she fell and broke her foot. She has been in a walking boot for 3 months, which has caused her to be unable to clean houses for income. Jessica was recently diagnosed with Stage 1 Cervical Cancer and is currently undergoing treatment. All this has been an emotional, financial and physical burden on her. To make ends meet she sells skin care products from home. Jessica drives an older Acura with 130,000 miles that recently required several hundred dollars to repair.

Her children are Shelton 12, Channing 3, and Camille 4 months. Our goal this year is to raise enough money to buy Jessica a new car and also provide her with several months' rent, so she can have some breathing room.

Thank you for your participation!!! let's make this
the best IOG Tournament yet!!!
